

July 23, 1979

Dear Falcon Owner of Falcon Fan:

As you know it has been almost 10 years since a Falcon was built, they are now diminishing very fast as they are being junked and crushed.

As a Falcon Fan and Owner myself I would like to try to start a Falcon Club. As a club we can help each other find those hard to find parts and keep those fine little automobiles on the road.

To the best of my knowledge, I know of no other Falcon clubs in the USA. I feel we need this to keep our cars going and show people what the little Falcons weren't just an average automobile.

I will have a meet here in Jacksonville at Dupree Park on Aug. 19, 1979 from 10:00AM to 3:00PM. We will have a business meeting at 2:00PM to discuss the forming of a Falcon club at that time. If you can not make it early, be sure and try to be there by 2:00PM. Please let everyone that you know who might be interested in this club know about it. Bring your car if you can, but don't let that stop you from coming. You are welcome with or without a car.

Bring a picnic lunch and some drinks, come on out and have a day of fun with us. Will be looking forward to seeing you at the meet.  
(Enclosed are some extra copies of this letter, pass it on to a friend who might be interested.)

Thank you

Roy E. Sword

If you plan to attend, please fill out the form below and return it to me by Aug. 7, 1979 if possible so I will know how many to plan for.

Send to: Roy E. Sword
